Media Release

DT: August 15, 2005
TO: All Media
FR: Eve M. Orsburn
RE: For Immediate Release: **TM Century Offers Audio Architecture By Request**

TM Century, Inc. of Dallas, TX announced today the creation of Audio Architecture By Request.

Audio Architecture By Request features a 36-disc CD/CD-ROM library with 252 timeless themes and 3,258 tracks including Holiday, Classical, Jazz, Soul, Country, Specialty/Novelty and Atmospheres. Each disc within a Suite contains 98 tracks (including 7 music beds in :30 and :60-second versions with alternate mixes and layer mixes, 7 stager beds with alternate mixes and layer mixes, and 14 production elements).

David Randall, TV/Cable Manager, says, "Recent discussions with many Creative Service Directors and Production Managers at television stations uncovered a common question- 'Why can't I seem to find a company that lets me focus on and receive a specific library which fits a particular need...that is timeless?' Taking this question to task, we have returned with an answer- Audio Architecture By Request."

For more information or to purchase Audio Architecture By Request, please contact David Randall at 972-406-6807.

About TM Century

Dallas based TM Century, Inc. creates, produces and distributes music based products for all media and comedy & prep material for radio stations. Product lines include music compilation libraries and weekly new music distribution services, commercial production & imaging music, commercial jingles & radio and TV station identification packages, Bitman, Daily Comedy Network, and Short Bus Radio. TM Century's clients include radio and television stations, radio, television satellite and Internet networks, web sites and portals, the American Forces Radio Network, and numerous advertising agencies and commercial businesses. TM Century's products are broadcast on every continent on Earth (Yep, even Antarctica!). Additionally, TM Century, Inc. owns and operates www.StudioDragonfly.com, an online station ID resource, www.JingleBank.com, an advertising jingle resource, and www.Imagingarsenal.com, a buyout-imaging depot.
