Media Release

DT: September 28, 2005
TO: All Media
FR: Eve M. Orsburn
RE: For Immediate Release: **TM Century Wraps Up Summer**

TM Century wraps up a busy summer of producing custom imaging for some of America's and the world's top networks. Among the projects delivered over the summer are:

Westwood One's "Randy Jackson's Hit List": TM Century produced the themes and imaging for both the Urban AC and Hot AC versions of the show.

AP Radio Network: TM Century produced a brand new imaging package for the entire network.

Bloomberg Radio Network: TM Century produced new themes for the network and its flagship station, WBBR, New York.

Sporting News Radio: TM Century updated the themes for the network.

Scott Shannon's True Oldies Channel: TM Century produced a full imaging package for the network and its affiliates.

Todd Pettingill's "Saturday Night At The 80's": TM Century produced a full imaging package for this ABC Network program.

RMF (Radio Muzyka Fakty): TM Century produced a huge new imaging package for RMF, the largest broadcaster in Poland.

Smart FM: TM Century produced the imaging for Indonesia's leading News/Talk station.

TM Century's New Music Group is the world's largest producer of custom imaging for stations and networks. Each year hundreds of stations and networks around the world turn to TM Century for custom imaging.

About TM Century

Dallas based TM Century, Inc. creates, produces and distributes music based products for all media and comedy & prep material for radio stations. Product lines include music compilation libraries and weekly new music distribution services, commercial production & imaging music, commercial jingles & radio and TV station identification packages, Bitman, Daily Comedy Network, and Short Bus Radio. TM Century's clients include radio and television stations, radio, television satellite and Internet networks, web sites and portals, the American Forces Radio Network, and numerous advertising agencies and commercial businesses. TM Century's products are broadcast on every continent on Earth (Yep, even Antarctica!). Additionally, TM Century, Inc. owns and operates www.StudioDragonfly.com, an online station ID resource, www.JingleBank.com, an advertising jingle resource, and www.Imagingarsenal.com, a buyout-imaging depot.
