RE: For Immediate Release: **Chris Stevens Named Creative Director At TM Century**

TM Century has named 28-year-old Chris Stevens to the newly created position of Creative Director for the Dallas-based production house.

Chris Stevens, a British national, was most recently an imaging producer for BBC Radio 2 in London. Prior to his work with the BBC, Stevens was Director of Station Imaging for the Guardian Media Group, which owns numerous radio stations throughout the UK.

"Chris is a genius, a brilliant composer and producer who will usher in a new generation of creative for our company," commented TM Century CEO David Graupner.

"I'm looking forward to working with the current writers and producers at TM and also excited to be able to draw on the talents of the many young composers from all over the world who would love to run amok in TM's incredible studios," noted Stevens.

For more information regarding a custom jingle or production package, please contact David Graupner at 972-406-6809.
