### TM Century Announces GoldDisc Sale

**DALLAS (August 18th, 2003)**- Dallas-based TM Century, Inc., ([OTCBB: TMCI](http://OTCBB:TMCI)), today announced that through 2 pm (CST) Monday September 29<sup>th</sup>, 2003 all of TM Century GoldDiscs are 50% off. The sale is part of TM Century's annual inventory reduction sale, which precedes the annual warehouse inventory audit. "Basically it comes down to 'sell 'em, or count 'em'," said CEO David Graupner. "With hundreds of thousands of discs in our Dallas warehouse, it behooves us to sell as many as possible before we have to go back to warehouse and hand count them all during inventory."

On Tuesday, September 30<sup>th</sup> TM Century's warehouse will be closed for our annual inventory and audit. On Wednesday, October 1<sup>st</sup>, GoldDisc rates will go back up. This is a great opportunity for stations to fill in holes in existing libraries, update current libraries with the latest releases, add additional libraries and even take care of Christmas music needs.

This sale applies to existing GoldDisc stock only. It does not apply to custom discs, GoldDrive, Gold.Wav or HitDiscs. Use the [GoldDisc-Select](#) program on TM Century's Web site to peruse our collection of over 1,200 discs of every type of music.
