

## News Release

**DALLAS** - TM Century, Inc. of Dallas, Texas, and Wise Buddah Creative of London, UK, have entered into an agreement wherein TM will market Wise Buddah's cutting-edge and award winning imaging library, **D/generation**, in North and South America.

**D/generation** is one of the most popular imaging libraries in Europe airing on leading radio stations throughout Europe and Asia including Capital Radio UK, RTL 2 France, NRJ Munich Germany, Rebecca Radio Netherlands, N-Joy Germany, ABC Denmark, RTL Berlin Germany, NRJ Denmark, Radio Eska Poland, Radio FG France and many others.

**D/generation** contains over 450 bleeding edge efx, sfx, mfx, sweepers, drones, orchestra hits, bed, pads and loops.

The writers/producers of Wise Buddah, Bill Padley and Jem Godfrey, are known throughout Europe for producing several number one singles in the UK and worldwide, as well as for their emphasis on high-quality, innovative production music for all formats. The members of the Wise Buddah Creative team are constantly developing new techniques and pushing the boundaries of music to new, exciting high-quality audio productions.

In 2002, the duo produced the hit radio mix of Holly Valance's UK number one debut single "Kiss Kiss," they have two productions and one co-write on Ronan Keating's UK number one album, they've produced two forthcoming Atomic Kitten singles, they have a production on Lulu's top five comeback album and they produced Jessica Garlick's "Song For Europe" winner. Meanwhile "Best In Me," a song they wrote and produced for Blue's UK number one debut album, is now an international hit following huge success on UK music TV channels. They were also nominated for two Ivor Novello Awards for their co-written and produced UK number one "Whole Again" by Atomic Kitten, which has sold two million copies worldwide.

Wise Buddah is a leading provider of radio programming, audio production facilities, song and re-mix production and talent management. Wise Buddah Creative is the facilities and commercial production arm of Wise Buddah. Based in London's W1, Wise Buddah Creative has five Pro Tools digital audio suites and provides a range of services to the music and broadcast industries. Their clients include the BBC, major and independent record companies, TV Production companies, regional and national radio promoters, UK and International Radio Stations, advertising and promotional companies and a cross section of corporate and international organizations.
